Cautionary Statement:

In this Annual Report, we have disclosed forward looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements – written and oral – that we periodically make, contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.

2. COMPANY PERFORMANCE AND BUSINESS OVERVIEW

A detailed discussion of operations for the year ended 31st March, 2021 is provided in the Management Discussion and Analysis Report, which is presented in a separate section forming part of this Annual Report.

3. DIVIDEND

In view of losses, the Board of Directors of your company does not recommend dividend for the year under review.

4. TRANSFER TO RESERVE

The Company does not propose to transfer amounts to the general reserve for the financial year 2020-2021.

5. MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

In March 2020, the World Health Organisation declared COVID-19 a global pandemic. Consequent to this, Government of India declared a nation-wide lockdown from 24th March, 2020. Subsequently, the nation-wide lockdown was lifted by the Government of India, but regional lockdowns continue to be implemented in areas with significant number of COVID-19 cases. The 'second wave' in March and April, 2021 further exacerbated the situation with Maharashtra suffering a high number of infections. Your Company has been continuously exploring various business prospects and in this regard, various meetings/visits were planned in the initial part of financial year 2021-22. However, with the statutory lockdown and various restrictions imposed by the State Government due to the second wave of the pandemic, the scheduled meetings/visits have been postponed and consequently the progress on the same has been slowed down.

Your Company is conscious of the significant disruption and impact of COVID-19 can have on its employees, prospective clients, partners, investors and the communities in which it is looking to operate. We are working hard to contain and mitigate its impact. The primary objectives of your Company's response to the pandemic are to ensure the safety and wellbeing of its employees and prospective partners, to deliver on its commitments to clients in the true spirit of partnership and to secure the financial and operational resilience of the Company.

As the situation is unprecedented, the Company is closely monitoring the situation as it evolves in the future.

6. CORPORATE GOVERNANCE

Reports on Corporate Governance and Management Discussion and Analysis, in accordance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), along with a certificate from Auditors regarding compliance of the Corporate Governance are given separately in this Annual Report.

All Board Members and Senior Management Personnel have affirmed compliance with the code of conduct for the financial year 2020-2021. A declaration to this effect signed by the Chief Executive Officer of the Company is contained in this annual report.

7. PUBLIC DEPOSIT

Your Company has not accepted any Public Deposits under Chapter V of the Companies Act, 2013.

DIRECTORS' REPORT (Contd.)**8. DIRECTORS AND KEY MANAGERIAL PERSONNEL (KMP)**

In accordance with the provisions of the Companies Act, 2013 and the Articles of Association of the Company, Mrs. Sangeeta Mandhana retires by rotation and being eligible, offers herself for re-appointment at the ensuing Annual General Meeting (AGM). Brief details of Mrs. Sangeeta Mandhana as required under Regulation 36(3) of Listing Regulations are provided in the notice of the ensuing Annual General Meeting. Necessary details shall also be annexed to the notice of the meeting in terms of Section 102(1) of the said Act, to the extent applicable.

During the year under review, Mr. Kiran Vaidya, Non-Executive and Independent Director of the Company stepped down from the Board w.e.f. 18th May, 2020 in order to pursue some of his personal interests. Mr. Pradip Dubhashi has resigned from the directorship of the Company w.e.f. 21st June, 2021 due to his inability to attend the meetings of the Board and the Committees constituted by the Board on account of adverse circumstances caused by the COVID-19 pandemic. Mr. Ramnath Pradeep has resigned as a Director of the Company w.e.f. 21st June, 2021 due to his ill-health. The Board places on record the contributions made by Mr. Dubhashi, Mr. Pradeep and Mr. Vaidya during their tenure with the Company.

The Company has received declarations from all the Independent Directors of the Company, confirming that they meet the criteria of independence as prescribed under the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In the opinion of the Board, the Independent Directors, fulfill the conditions of independence specified in Section 149(6) of the Act and Regulation 16(1) (b) of the Listing Regulations.

Mr. Pankaj Gharat has resigned from the office of Chief Financial Officer ('CFO') of the Company w.e.f. 22nd February, 2021. The Board places on record the contributions made by Mr. Gharat during his tenure with the Company. Mr. Vishal Parikh has been appointed as the CFO of the Company w.e.f. 20th August, 2021.

The Board has appointed Mr. Pravin R. Navandar (DIN 02810786) and Mr. N. Venkateshwar Rao (DIN 09261084) as Additional Directors to hold office as Non-Executive & Independent Directors on the Board of the Company with effect from 17th August, 2021, till the conclusion of ensuing Annual General Meeting. The Nomination and Remuneration Committee and the Board have considered and recommend to the Shareholders for the appointment of Mr. Pravin R. Navandar and Mr. N. Venkateshwar Rao as Non-Executive & Independent Directors as set out in the Notice of AGM. The resolutions seeking Shareholders' approval for their appointments form part of the Notice of AGM.

During the year under review, none of the other KMP of the Company has resigned from their respective positions.

9. BOARD EVALUATION

The Board of Directors has carried out an annual evaluation of its own performance, Board Committees and individual directors, pursuant to the provisions of the Companies Act, 2013 and the Listing Regulations. The Company has implemented a system of evaluating performance of the Board of Directors and of its Committees and individual Director on the basis of a structured questionnaire which comprises evaluation criteria taking into consideration various performance related aspects.

The Company's Independent Directors met on 12th March, 2021 without the presence of Executive Directors or Members of the Management. All the Independent Directors attended the Meeting. The Independent Directors opined that the Executive Directors shall contribute more to the deliberations in the Board and Committee Meetings of the Company.

10. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

18. STATUTORY AUDITORS AND AUDITORS' REPORT

M/s. BSR & Co. LLP, Chartered Accountants, (Firm Registration No. 101248W/W-100022), have, due to lack of consensus over the proposal of reduction in audit fees for the FY 2020-21, resigned from the office of Statutory Auditors w.e.f. 12th November, 2020, resulting into a casual vacancy in the office of Statutory Auditors of the company as envisaged under section 139(8) of the Companies Act, 2013 ("Act"). As per the recommendation of the Audit Committee and the Board of Directors, the Members of the Company has through postal ballot process appointed M/s. Ram Agarwal & Associates, Chartered Accountants, (Firm Registration No. 140954W) as the Statutory Auditors of the Company to fill the casual vacancy caused by the resignation of M/s. BSR & Co. LLP and who holds office from 11th December, 2020 up to the conclusion of the ensuing 10th Annual General Meeting of the Company.

In accordance with section 139 of the Companies Act, 2013, the Board of Directors on recommendation of Audit Committee, in its meeting held on 25th August, 2021 has recommended the appointment of M/s. Ram Agarwal & Associates, Chartered Accountants, (Firm Registration No. 140954W), as the Statutory Auditors of the Company for a period of 5 years to hold office until the conclusion of the 15th Annual General Meeting of the Company to be held in calendar year 2026. M/s. Ram Agarwal & Associates, Chartered Accountants, have consented to act as the Statutory Auditors of the Company.

The Statutory Auditor has given a disclaimer opinion on the financial statements of the Company for the financial year 2020-2021 for the going concern status of the Company on account of loss of 'Being Human' Trademark and lack of sufficient appropriate evidences about the future business plans and operations of the

DIRECTORS' REPORT (Contd.)

Company and the materialisation of alternatives that are being considered by the Management.

With regard to the aforesaid opinion of the Statutory Auditor, the Management hereby states that the Management has responded with speed to rework its business strategy to meet the uncertainty arising out of the aforesaid event. The Management believes its business plan is amply supported by the core team that it has nurtured over the years and liquidity, inter alia, arising out of the transaction with the Being Human-The Salman Khan Foundation and its new licensee. The Management has held back the roll out of the plan given the disruption caused in the economy and its target markets by the pandemic. Given the current indication, it would be reasonable to expect helpful conditions for roll out during the FY 2021-22. The Management, therefore, is of the opinion that there are reasonable grounds to believe that there is no material impact due to the aforesaid disclaimer on 'going concern' status by the Auditors.

The Board of Directors has given serious weightage to the views of the Statutory Auditors. It has also received the views of the Management on its strategy to meet the extenuating developments in its business model and the uncertainty in the economy caused by the pandemic. On balance, the Board is of the view, given the uncertainty and disruption caused by the pandemic, it is advisable to tread with caution and feels reasonably confident that the Management will be able to operationalise the business plan as presented to the Board and the Company' status as a 'going concern' can reasonably be assured thereby.

The Notes to the financial statements referred in the Auditors Report are self-explanatory and therefore do not call for any further comments under Section 134 of the Companies Act, 2013. The Auditors' Report is enclosed with the financial statements in this Annual Report.

There is no incident of fraud requiring reporting by the auditors under Section 143(12) of the Companies Act, 2013.

19. SECRETARIAL AUDIT REPORT

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Rules made thereunder, the Company has appointed Mr. Nitin R. Joshi, Practicing Company Secretary (Certificate of Practice No. 1884 and Membership No. FCS- 3137) as the Secretarial Auditor of the Company. The Secretarial Audit Report is annexed as Annexure - 'B' and forms an integral part of this Report. The Company has complied with all the applicable secretarial standards.

The Secretarial Audit Report does not contain any qualification, reservation or adverse remark. The statements referred in the Secretarial Audit Report are self-explanatory and therefore do not call for any further comments under Section 134 of the Companies Act, 2013.

20. CORPORATE SOCIAL RESPONSIBILITY

The Company is not falling under any of the applicability criterion of CSR as mentioned under the provisions of Section 135 of the Companies Act, 2013 as amended. A brief outline/salient features of the Company's Corporate Social Responsibility ('CSR') Policy and the Annual Report on CSR activities undertaken by the Company as required under Companies (Corporate Social Responsibility Policy) Rules, 2014 is provided in Annexure - 'C' forming part of this Report.

21. SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

The Company has no subsidiary, Joint Venture and Associate Company as on 31st March, 2021.

22. SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

There are no significant and material orders passed by the Regulators or Courts or Tribunals which would impact the going concern status and the Company's future operations.

23. ADEQUACY OF INTERNAL FINANCIAL CONTROLS

The Company has adequate internal financial controls in place with reference to financial statements. These are continually reviewed by the Company to strengthen the same wherever required. The internal control systems are supplemented by internal audit carried out by an independent firm of Chartered Accountants and periodical review by the Management. The Audit Committee of the Board addresses issues raised by both, the Internal Auditors and the Statutory Auditors.

24. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirements under sub section (3) (c) and (5) of Section 134 of the Companies Act, 2013, with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- i) in the preparation of the annual accounts for the financial year ended 31st March, 2021, the applicable Accounting Standards have been followed along with proper explanation relating to material departures;
- ii) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit/loss of the Company for the year under review;
- iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

DIRECTORS' REPORT (Contd.)

- iv) the Directors have prepared the annual financial statements on a going concern basis;
- v) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively; and
- vi) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

25. PARTICULARS OF ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

ANNEXURE - 'A' TO DIRECTORS' REPORT

SALIENT FEATURES OF NOMINATION AND REMUNERATION POLICY ALONG WITH THE CHANGES MADE THEREIN

The Nomination and Remuneration Policy ('NR Policy') of the Company has been formulated with a view to:

1. devise a transparent system of determining the appropriate level of remuneration throughout all levels of employees and teams in the Company;
2. encourage personnel to perform to their highest level;
3. provide consistency in remuneration throughout the Company;
4. offer incentives on the premise of aligning the performance of the business with the performance of key employees and teams within the Company; and
5. set out the approach to diversity on the Board.

The NR Policy elucidates the types of remuneration to be offered by the Company and factors to be considered by the Board of Directors of the Company, Nomination and Remuneration Committee and management of the Company in determining the appropriate remuneration policy for the Company.

The NR Policy applies to the Company's senior management employees, including its Key managerial personnel and Board of Directors.

The NR Policy also acts as a guide in evaluating the performance of the officers of the Company which are two level below the Board and states that such evaluation shall be carried out by the Managing Director in consultation with CEO and Head-HR and a summary of the evaluation carried out shall also be placed annually before the Nomination and Remuneration Committee for its approval.

The policy represents the overreaching approach of the Company to the remuneration of Directors, KMPs and other employees. The detailed policy is available on the Company's website at <https://www.mrvlindia.com/codes-of-conduct-policies>

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members,

The Mandhana Retail Ventures Limited.

209, 2nd Floor, Peninsula Centre,

Dr. S.S. Rao Road, Parel,

Mumbai-400012.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **The Mandhana Retail Ventures Limited** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, to the extent the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to me and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI) warranted due to the spread of the COVID-19 pandemic, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on March 31, 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March, 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made under that Act;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made under that Act;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed under that Act;
- (iv) The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent applicable to Foreign Direct Investment (FDI), Overseas Direct Investment (ODI) and External Commercial Borrowings (ECB);
- (v) The following Regulations and Guidelines prescribed under the SEBI Act, 1992:
 - (a) The SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The SEBI (Prohibition of Insider Trading) Regulations, 2015;

- (c) The SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the Company during the Audit Period)**
 - (d) The SEBI (Share Based Employee Benefits) Regulations, 2014; **(Not applicable to the Company during the Audit Period)**
 - (e) The SEBI (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the Audit Period)**
 - (f) The SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The SEBI (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the Audit Period)** and
 - (h) The SEBI (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the Audit Period)**
- (vi) I further report that, having regard to the compliance system prevailing in the Company, considering and relying upon representation made by the Company and its officers for system and mechanism formed by the Company, I am of the opinion that the Company has complied with the following laws applicable specifically to the Company:

- I. The Legal Metrology Act, 2009
- II. The Trade Mark Act, 1999

I further report that the Company has complied with the applicable clauses/regulations of the following:

- (i) Applicable clauses of Secretarial Standards issued by The Institute of Company Secretaries of India;
- (ii) The Equity Listing Agreement, to the extent applicable, entered into by the Company with National Stock Exchange of India Limited and BSE Limited; and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review and as per the explanations and clarifications given to me and the representations made by the Management, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent of observations mentioned below:

**ANNEXURE - 'B' TO DIRECTORS' REPORT (Contd.)**

- I. Whereas under Regulation 44(3) of SEBI (LODR) Regulations, 2015, the Company could not submit voting results within forty-eight hours of conclusion of Postal Ballot, due to Covid-19 related restrictions imposed by the Government of Maharashtra, after written submissions made by the Company for waiver of penalty on account of non-compliance of Regulation 44(3) to both the stock exchange(s), the NSE has waived the fine and similar waiver is expected from BSE.
- II. Whereas under Regulation 17(1) of SEBI (LODR) Regulations, 2015, the Board composition was not in-line with the said regulation (minimum number of directors on the Board) for a period between April 1, 2020 to October 20, 2020, hence National Stock Exchange (NSE) levied penalty, after written submissions made by the Company for waiver of penalty on account of non-compliance of Regulation 17(1), the NSE has waived the penalty.
- III. Whereas under Regulation 33 of SEBI (LODR) Regulations, 2015, the Company could not submit Audited Financial Results for FY 2020-21 in time, after written submissions made by the Company for waiver of penalty on account of non-compliance of Regulation 33 to both the Exchanges, the NSE has waived the fine and similar waiver is expected from BSE.
- IV. Whereas under Regulation 23(9) of SEBI (LODR) Regulations, 2015, the Company was in delay in submission of details of Related Party Transactions for the half year ended September 30, 2020 and the Company complied with the said requirement and paid the fine of ₹ 10,000/- plus taxes to both the Exchanges.
- V. Whereas under Regulation 29 of SEBI (LODR) Regulations, 2015, the Company called the adjourned Board Meeting at a shorter notice period than prescribed, for declaration of audited financial results for the quarter and financial year ended March 31, 2020. After written submission made by the Company, both the Stock Exchanges have waived the fine imposed for non-compliance of Regulation 29 of the Listing Regulations.
- VI. The Company is required to appoint Internal Auditor of the Company pursuant to the provisions of section 138 of the Companies Act, 2013, after vacation of the said position on 11.12.2020.
- VII. During the year, the Company has given Inter-Corporate Loan of ₹ 8.30 crores to Munas Investment Pvt. Ltd., which is covered under section 186 of the Companies Act, 2013, however the approval of the Board to the said loan as required under section 186, was obtained subsequently.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting for meaningful participation at the meeting.

All decisions at Board meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period;

- i. Mr. Pankaj Gharat resigned from the post of Chief Financial Officer ('CFO') of the Company w.e.f. 22nd February 2021.

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMY

FY 2020-21 was one of the most challenging years for the world battling with a once-in-a-century kind of pandemic event of Covid-19. The global economy contracted for the first time in last many years with the world output de-growing at -3.5 percent since the global economic crisis in 2009. When the contraction was -1.7% (source - IMF World economic outlook 26th January, 2021), Global lock downs, trade freeze, stretched healthcare systems and economic activity coming to a standstill in large geographies, created further stress on already stretched economies of emerging markets, including India. Most countries, including India, saw a halt in manufacturing activities ranging from 60-120 days in the calendar year in an unprecedented move necessitated by outbreak of Covid-19 and migration of labor. A period of stabilization was seen in second half of 2020 before 2nd wave of Covid-19 started sweeping across the geographies again. The McKinsey Global Fashion Index (MGFI) predicted global fashion industry contraction of 27 to 30 percent in 2020 y-o-y with potentially a strong recovery to pre pandemic levels in 2021. The global fashion Industry saw a steep decline in FY 2020-21 with profits declining by ~93% from 2019 levels.

Indian Economy

A strong rebound in economic activity is likely in India soon. India's GDP was initially anticipated to fall by 8%, which ended up declining by 7.3% in FY 2020-21. India's focus on implementing stringent measures towards saving lives and livelihoods has helped the Indian economy rebound faster than the other emerging markets. In FY 2020-21, monetary easing, supportive financial regulation and fiscal support were deployed to counter the recessionary effects of the lockdown. CPI Inflation was expected to touch 5% in Q4 FY21 but ended up crossing the 5.5% mark and is expected to stabilize at 5.3% in Q4 FY22.

Indian Retail

The Indian textiles and apparel industry is the 6th most prominent globally, with an estimated size of USD 70 Billion, and contributing nearly 4% to the global pie. It employs over 45 million people and is the 5th largest exporter of textile and apparel in the world with exports worth USD 36.4 billion. The pandemic has accelerated many trends in this space. The apparel retail industry's shift from unorganised to organised has become quicker, as aspirations for better fashion and brands is being coupled with wider and deeper supplies.

The Indian apparel market is the 2nd largest retail market after food and grocery. Domestic apparel players are expected to start seeing recovery towards the latter part of FY22. Growth in all apparel segments such as athleisure, active wear, casual wear and innerwear will gain aggressive momentum and provide opportunities to scale branded play.

India has the largest youth population, with the lowest median age across developed and developing nations. This, aided with a general propensity towards healthier lifestyles and engagement with activities related to fitness, athleisure and active wear have emerged as a new apparel category across segments and price points. The category has also gained prominence due to the new "work from home" setting brought upon by the impact of the pandemic. The growth in this category will continue long after the impact of the pandemic recedes and hence it's a permanent shift that way.

REVIEW OF COMPANY'S BUSINESS OPERATIONS

During the FY 2020-21, the Management has been meticulously forecasting to venture into new business segment. Rigorous planning, estimating and undertaking various calculation for launch of the new product has been the routine of the Management. However, the unprecedented Covid-19 pandemic, which is continuously emerging into new and more deadly variant has significantly impacted the launch of the new product by the Company.

Nevertheless, with the core talented and dedicated workforce working diligently with the experienced and skilled Key Management employees of the Company, the Management is confident and firm on recovering and improving the financial and operating position of the Company with the expeditious launch of new product which would give the necessary thrust to revive the Company.

Opportunities and Threats/Risks and Its Mitigation

The Company has been constantly exploring various business alternatives and has been scrutinizing various business avenues. On account of the outbreak of Covid-19 pandemic and consequent lockdown imposed globally and in India, the speed of exploring the alternative business has been drastically impacted. However, upon gradual relaxation in the Lock down and restoration of normalcy, the Management has initiated the process of exploring the business avenues and necessary intimations will be submitted to the Stock Exchanges upon finalization of any business proposal. As the Company is exploring new business alternative, an inherent risk of new business operations becoming futile is the ultimate risk which the Company is facing. However, with the core talent team having extensive experiences in handling the challenges associated while starting new business operations, the Management is assertive that the Company would be able to achieve the same success level which it has previously achieved while starting the operations under the Being Human trademark. As there were no business operations, the details pertaining to segment-wise revenue could not be provided.

MANAGEMENT DISCUSSION AND ANALYSIS (Contd.)

Performance Review

During the year, we achieved sales of ₹ 44.15 lakh, reflecting a (decline) of 99.72% over ₹ 15,189.54 Lakh in FY20. Our EBITDA margin decreased to (574.88) %, from (0.51)% in FY20. Net loss after tax stood at ₹ 278.89 Lakh in FY21, as compared to net loss of ₹ 3,105.02 Lakh in FY20.

Human Assets

Our people are at the heart of everything we do and we implement a variety of initiatives to augment their operational capabilities. As on 31st March, 2021, our workforce strength is recorded at 28 (excluding the Executive Directors of the Company).

INTERNAL CONTROLS AND THEIR ADEQUACY

We have set up a comprehensive system of internal controls, along with a structured internal audit process, vested with the task of safeguarding the assets of the organisation and ensuring reliability and accuracy of the accounting and other operational data. Internal audit is conducted for all the processes to identify risks and verify whether all systems and processes are commensurate with the business size and structure. These internal controls are verified by the Audit Committee to monitor existing systems and take corrective measures, wherever required.

Disclosure of Accounting Treatment:

In the preparation of the financial statements, the Company has followed Ind AS referred to in Section 133 of the Companies Act, 2013. The significant accounting policies which are consistently applied are set out in the Notes to the Financial Statements.

Key Financial Ratios

Details of significant changes (i.e., change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations thereof, including:

INDEPENDENT AUDITOR'S REPORT

**To the Members of
The Mandhana Retail Ventures Limited**

Report on the Audit of the Financial Statements

Disclaimer of Opinion

We were engaged to audit the accompanying financial statements of The Mandhana Retail Ventures Limited ("the Company"), which comprise the balance sheet as at 31 March 2021 and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

We do not express an opinion on the accompanying financial statements of the Company. In view of the significance of the matter described in the "Basis for Disclaimer of Opinion" section of our report, we have not been able to obtain sufficient appropriate audit evidence regarding whether the use of going concern assumption is appropriate or not. Therefore, we are unable to conclude as to whether the aforesaid financial statements are presented in accordance with the applicable accounting standards and other recognized accounting practices and policies.

Basis for Disclaimer of Opinion

We draw attention to Note No. 42 of the financial statements regarding preparation of the financial statements on going concern basis. The revenue generating operations of the Company was arising solely from retailing of men's and women's wear under a well-known trademark under a license agreement. The aforesaid license has been foreclosed by the trademark owner in 5th March, 2020 with effect from 31st January, 2020. Management has stated that the Company has explored new alternatives including identifying new contracts for retailing in India and is taking steps to address the situation. However, in the current pandemic situation i.e. from March-20 till date, majority of these alternatives / proposed business plans could not be progressed to the required commercial levels. The Company has lost a major market and it has also liquidated its inventories and transferred its retail outlets. Therefore, there is a material uncertainty regarding the future prospects of the business that cast significant doubt on the Company's ability to continue as a going concern. However, the Company has cash surplus and positive net worth. The Management and the Board of Directors have prepared the financial statements on a going concern basis since they have a reasonable expectation that the Company will be able to meet all its contractual obligations and liabilities as they fall due in near future and that the Company will be able to procure new contracts for carrying on its operations. However, we were unable to obtain sufficient appropriate evidences about the

future business plans and operations of the Company post 31 March 2021 and materialization of alternatives that are being considered by the Management. Accordingly, we are unable to conclude whether the Company will be able to continue as a going concern and the consequential implications arising therefrom on the financial statements of the Company.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Company's financial statements in accordance with Standards on Auditing and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Company in accordance with the Code of Ethics and provisions of the Act that are relevant to

INDEPENDENT AUDITOR'S REPORT (Contd.)

2. (A) As required by section 143(3) of the Act, read with the paragraph related to Basis for Disclaimer of Opinion, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) Due to the possible effects of the matter described in the Basis of Disclaimer Opinion paragraph, we are unable to state whether the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act.
 - e) The matter described in Basis for Disclaimer of Opinion paragraph could have an adverse effect on the functioning on the Company.
 - f) On the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act.
 - g) The reservation relating to maintenance of accounts and other matters connected there with are as stated in the Basis for Disclaimer of Opinion paragraph section above.
 - h) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company doesn't have any pending litigations which would impact its financial position as at 31 March 2021 – Refer Note 44 to the financial statements.
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d) The disclosures regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2021.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) of the Act which are required to be commented upon by us.
3. With vacation of Internal Auditor from Office on 18th December 2020, the board is yet to appoint new Internal Auditor of company as on 31st March 2021. The same has led to contravention of Section 138 of the Companies Act, 2013 ('Act').

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS OF THE MANDHANA RETAIL VENTURES LIMITED FOR THE YEAR ENDED 31 MARCH 2021

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A) h) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of The Mandhana Retail Ventures Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT (Contd.)**Inherent Limitations of Internal Financial controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. Further, considering the Disclaimer of Opinion in main audit report and the inherent limitations of internal financial controls with reference to financial statements, there are limitations in consideration of such controls operating as at the balance sheet date for the future operations of the Company.

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

1. Company overview

The Mandhana Retail Ventures Limited ("the Company") was incorporated under the Companies Act, 1956 ("the Act") on 12 February 2011. The Company was converted into a public limited company by getting its shares listed on the Bombay Stock Exchange and the National Stock Exchange w.e.f. 14 December 2016.

Pursuant to the approval of the Scheme of Demerger, the Company had acquired the demerged undertaking of Mandhana Industries Limited which was engaged in the business of designing, retailing, marketing and distributing men's wear, women's wear and accessories of "Being Human" trademark under the global exclusive trademark license agreement ('the License agreement') with The Salman Khan Foundation ('the Foundation'). The Licensee agreement was foreclosed with the Foundation on 31 January 2020 and with the Being Human business getting transferred to another licensee, the Company is now evaluating the available options to start afresh which shall be initiated post the current pandemic situation eases out.

2. A. Basis of preparation of financial statements

a) Statement of compliance

These financial statements of the Company for the year ended 31 March 2021 are prepared in accordance with Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('Act'), amendments thereto and other relevant provisions of the Act.

While the Licensee agreement with the Foundation was mutually cancelled vide agreement dated 5 March 2020 with effective date of cancellation being 31 January 2020, the Company has sufficient reserves at disposal to kickstart the business under the new brand. Currently, the Company is going slow on account of Covid-19 pandemic. Having said that, all the strategic discussions, tie-ups, vendor lineup, staffing, business strategy is in place and the Company is in the process of tying up with the new trademark.

Basis the facts referred above, the financial statements of the Company for the year ended 31 March 2021 have been prepared on accrual and going concern basis and do not include any adjustments relating to recoverability and classification of recorded assets or to amounts and classification of liabilities that may be necessary, if the Company is unable to continue as a going concern.

The financial statements of the Company for the year ended 31 March 2021 were approved for issue in accordance with the resolution of the Board of Directors on 25 August 2021.

b) Historical cost convention

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities and employee benefit obligations that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

c) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (₹) which is the Company's functional and presentation currency. All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Division II of Schedule III to the Act, unless otherwise stated.

d) Critical accounting judgments and key sources of estimation uncertainty

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

The areas involving critical estimates and judgments are:

i. Property, plant and equipment

Determination of the estimated useful lives of property, plant and equipment and the assessment of components of the cost that may be capitalised. Useful lives of tangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

ii. Valuation of inventories

Valuation of inventories comprises stock in trade at every reporting period end. Net realizable value of inventories is estimated basis the selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

iii. Defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined based on the prevailing market yields of Indian Government Securities as at the Balance Sheet date for the estimated term of the obligations.

iv. Impairment of non-financial assets

Impairment exist when the carrying value of an assets exceeds its recoverable amount, which is higher of its fair value less cost of disposal and its value in use. The value in use is determined based upon discounted cash flow model which is derived from the budget determined by the Company. The recoverable amount is sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash inflows and the growth rate used.

v. Deferred tax assets

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized.

vi. Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, past experience and circumstances known at the Balance Sheet date.

vii. Financial instruments

All financial instruments are required to be measured at fair value on initial recognition.

In case of financial instruments which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method. Rate of interest is estimated basis the prevailing market interest rate or the rate applicable to the company on any other financial instrument.

viii. Leases

Ind AS 116 'Leases' requires a lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying lease to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

e) Classification of assets and liabilities

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- i. it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realized within twelve months after the reporting date; or
- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Current assets include the current portion of noncurrent financial assets.

All other assets are classified as non-current.

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- i. it is expected to be settled in the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is due to be settled within twelve months after the reporting date; or
- iv. the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Current liabilities include the current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

B. Summary of significant accounting policies

a) Revenue recognition

Sale of goods

The Company derives revenues primarily from sale of traded goods.

Effective April 1, 2018, the Company has applied Ind AS 115 'Revenue from Contracts with Customers' which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 'Revenue'. There is no impact of the adoption of the new standard on the financial statements of the Company.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of products to end customers in an amount that reflects the consideration the Company expects to receive in exchange for those products. The performance obligations in our contracts are fulfilled at the time of delivery.

Revenue is measured based on transaction price which is fair value of the consideration received or receivable, after deduction of any discounts, sales incentives / schemes and any taxes or duties collected on behalf of the government such as goods and services tax, etc.

Export Benefits

Export incentives (i.e. duty drawback and DEPB license) are recognized in the year on

the basis of claims submitted to the appropriate authorities provided there is no uncertainty to expect ultimate collection at the time of making the claim.

Interest income

For all interest bearing financial assets measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

b) Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment (PPE) are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of an item of PPE comprises its purchase price, including import duties and other non-refundable taxes or levies, borrowing costs if any and any directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Expenditure/income during construction period is included under Capital work in progress, and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current assets".

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the Statement of Profit and Loss as incurred.

iii. Depreciation

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') as per the useful life prescribed under Schedule II of the Companies Act, 2013, which, in management's opinion, reflect the estimates useful economic lives of fixed assets.

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

Leasehold improvements are amortized over the lease term. Depreciation for the year is recognised in the Statement of Profit and Loss.

The following table gives the useful life of different Property, plant and equipment as per Schedule II:

Particulars	Useful Life
Office equipment	5 years
Desktops/laptops and accessories	3 years
Motor Car	6 years

iv. De-recognition

An item of property, plant and equipment is eliminated from the financial statement on disposal or when no further benefit is expected from its use and disposal.

Losses arising from retirement or gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

v. Impairment of property, plant and equipment

The carrying values of assets at each Balance Sheet date are reviewed for impairment if any indication of impairment exists.

c) Intangible assets

i. Recognition and measurement

Intangible assets are recognized only when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of such assets can be measured reliably. Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortisation and any accumulated impairment loss. All costs relating to the acquisition are capitalized.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits from the specific asset to which it relates.

iii. Amortisation

Intangible assets are amortised over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

The useful lives are reviewed by the management at each financial year-end and revised, if appropriate. In case of a

revision, the unamortized depreciable amount is charged over the revised remaining useful life.

Amortisation for the year is recognised in the Statement of Profit and Loss.

iv. De-recognition

An intangible asset is de-recognised on disposal or when no future economic benefits are expected from its use and disposal. Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss.

v. Impairment of intangible assets

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment loss is recognised if the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years. In case of revalued assets, such reversal is not recognized.

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

d) Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of identified asset;
- ii. the Company has substantially all of the economic benefits from the use of the asset through the period of lease; and
- iii. the Company has the right to direct the use of the asset.

As a lessee

The Company recognizes a right-of-use asset ("ROU") and a lease liability at the lease commencement date. The ROU is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The ROU is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease

payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the ROU, or is recorded in Statement of Profit or Loss if the carrying amount of the ROU has been reduced to zero.

Lease Liabilities are presented in 'Financial Liabilities' and the 'ROU Asset' is presented separately in the Balance Sheet. Lease payments are classified as financing activities in the Statement of Cash Flows.

Short-term leases and leases of low-value assets

The Company has elected not to recognise ROU and lease liabilities for short term leases that have a lease term of 12 months or lower and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term. The related cash flows are classified as Operating activities in the Statement of Cash Flows.

Under Ind AS 17

In the comparative period, accounting for leases were done as per Ind AS 17. Leases were classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

As a Lessee

Operating Leases

Lease rentals are charged or recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

Finance Leases

Assets held under finance leases are recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to the Statement of Profit and Loss.

e) Inventories

Inventories comprise of stock in trade which are carried at the lower of cost and net realizable value. Cost is determined on first in first out ("FIFO") basis.

Cost of stock in trade comprises of all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

f) Foreign currency transactions and translations

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognized in the Statement of Profit and Loss of the year.

Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

g) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial assets

Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through

other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to a contract that gives rise to a financial asset of one entity or equity instrument of another entity. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, other than those designated as fair value through profit or loss (FVTPL), are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at FVTPL are recognised immediately in Statement of Profit and Loss.

Measurement of fair values

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market of the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes financial assets into three levels. As described as follows, these levels are based on the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (level 3 inputs).

Level 1: Fair value based on quoted, unadjusted prices on active markets

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

Level 2: Fair value based on parameters for which directly or indirectly quoted prices on active market are available

Level 3: Fair value based on parameters for which there is no observable market data

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Subsequent measurement

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- The entity's business model for managing the financial assets and
- The contractual cash flow characteristics of the financial asset.

Amortised cost

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognised (i.e. removed from the Company's Balance Sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either

(a) The Company has transferred substantially all the risks and rewards of the asset, or

(b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

Financial assets of the Company comprise of trade receivable and other receivables consisting of debt instruments such as security deposits and bank balance. Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. An impairment loss for trade and other receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. Impairment losses if any, are recognised in Statement of Profit and Loss for the year.

The Company recognises loss allowance using expected credit loss model for financial assets which are not measured at Fair Value Through Profit or Loss. Expected credit losses

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at original effective rate of interest. For Trade receivables, the Company measures loss allowance at an amount equal to lifetime expected credit losses. The Company computes expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

ii. Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognized. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in

the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

h) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the employee service is recognized as an expense as the related service is rendered by the employee. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution to Provident Fund, ESIC and Labour Welfare Fund are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders related service.

Defined Benefit Plan

The Company's gratuity benefit scheme is a defined benefit plan covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Company's net obligation in respect of the defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods;

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any assets are deducted. The calculation of the Company's obligation under the plans is performed annually by a qualified actuary using the projected unit credit method at the Balance Sheet date.

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, are recognised immediately in other comprehensive income (OCI). The service and interest cost related to defined benefit plans are recognised in employee benefits in the Statement of Profit and Loss. When the benefits of a plan are improved, the portion of the increased benefit related to past service by employees is recognised in the Statement of Profit and Loss on a straight line basis over the average period until the benefits become vested. The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

i) Taxation

Income-tax expense comprise current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Current tax is measured at that amount expected to be paid to (recovered from) the taxation authorities, on the taxable income or loss determined in accordance with Income Tax Act, 1961 and includes any adjustment to the tax payable or receivable in respect of previous years.

Deferred tax

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the Statement of Profit and Loss. A deferred tax asset is

recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that future taxable profits will be available.

j) Impairment of non-financial asset (excluding inventories and deferred tax assets)

Non-financial assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

Where it is not possible to estimate the recoverable amount of an individual asset, the impairment test is carried out on the smallest group of assets to which it belongs for which there are separately identifiable cash flows; its cash generating units ('CGUs').

k) Earnings per share

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- i. the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- ii. the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

l) Borrowing costs

Borrowing costs are interest and other costs related to borrowing that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs include interest costs measured at Effective Interest Rate (EIR) and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Ancillary borrowing costs are

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

amortised over the tenure of the loan.

Borrowing costs that are attributable to acquisition or construction of qualifying assets are capitalized as a part of cost of such assets till the time the asset is ready for its intended use. A qualifying asset is the one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recorded as an expense in the year in which they are incurred. Ancillary borrowing costs are amortised over the tenure of the loan.

m) Provisions, Contingent liabilities and Contingent assets

Provisions are recognized when the Company recognizes that it has a present obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to passage of time is recognised as interest expense.

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in financial statements.

n) Cash and Cash equivalents

Cash and cash equivalents comprise cash-in-hand and cash on deposits with banks and financial institutions. The Company considers all highly liquid investments

with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amount of cash to be cash equivalents.

o) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Chief Executive officer assesses the financial performance and position of the Company, and makes strategic decisions. He is identified as being the chief operating decision maker for the Company. The Company has only one business segment, which is trading in garments and company generates revenue majorly from Domestic sales along with some export sales. Accordingly, the amounts appearing in these financial statements relate to this one business segment.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment assets include all operating assets used by the business segment and consist principally of fixed assets, trade receivables and inventories. Segment liabilities include operating liabilities pertaining to the segment.

Segment revenue, segment results, segment assets and segment liabilities include the respective amounts identifiable to each segment as also the amount allocable on a reasonable basis.

Segment assets and liabilities that cannot be allocated between the segments are shown as part of unallocated assets and liabilities respectively. Income and expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segment are reflected as unallocated income and expense.

p) Events after the reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed as at the end of the reporting period, the impact of such events is adjusted within the standalone financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

2. Terms / rights attached to equity shares issued

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred tax assets is based on estimates of future taxable income and the period over which deferred tax assets will be recovered.

* Deferred tax assets was derecognised and charged off in the statement of profit and loss of the previous year as the Company would not be able to utilise the unused tax losses and unused tax credits as it is not probable that the Company would generate sufficient future taxable profits from its operations. Deferred tax assets is not created in current year for same.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk
- Interest rate risk

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

32. Financial instruments - Fair values and risk management (Contd.)

B. Financial risk management (Contd.)

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the board of directors on its activities

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

The carrying amount of following financial assets represents the maximum credit exposure:

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Risk Management Committee has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, and in some cases bank references. Sale limits are established for each customer and reviewed quarterly. Any sales exceeding those limits require approval from the Risk Management Committee.

Goods are sold subject to retention of title clauses, so that in the event of non-payment the Company may have a secured claim. The Company does not otherwise require collateral in respect of trade and other receivables

Impairment

As at 31 March 2021, the ageing of trade receivables that were not impaired was as follows:

Particulars	₹ in Lakhs	
	31 March 2021	31 March 2020
Neither past due nor impaired	-	-
Past due 1-30 days	17.09	-
Past due 31-90 days	10.90	454.87
Past due 91-180 days	-	127.12
More than 180 days	170.62	66.07
Total	197.62	647.06

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk, including underlying customers' credit ratings, if they are available.

Cash and cash equivalents

The Company held cash and cash equivalents of ₹ 7.33 Lakhs as at 31 March 2021 (31 March 2020: ₹ 544.81 Lakhs). The cash and cash equivalents are held with banks and financial institution which have good credit ratings.

Security deposits given to lessors

The Company has given security deposit to lessors of ₹ 888.54 Lakhs as at 31 March 2021 (31 March 2020: ₹ 1,718.66 Lakhs) for premises leased to the Company. The credit worthiness of such lessors is considered to be good.

ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Other financial liabilities	519.86	519.86	519.86	-	-	-	

iii. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, our exposure to market risk is a function of borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in foreign currency revenues and costs.

Currency risk

The Company is exposed to currency risk on account of its trade receivables and trade payables in foreign currency. The functional currency of the Company is ₹ The Company does not use any forward exchange contracts to hedge its currency risk.

Exposure to currency risk

The currency profile of financial assets and financial liabilities in Rupee terms as at 31 March 2021 and 31st Mar 2020 are as below:

Sensitivity analysis

A reasonably possible strengthening (weakening) of the ₹ against USD/Euro at year end would have affected the measurement of financial instruments denominated in these currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	Profit or loss	
	Strengthening	Weakening
31 March 2021 (₹ in Lakhs)		
1% movement

1% movement		
USD	0.08	(0.08)
EURO	0.31	(0.31)
	0.39	(0.39)

iv. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

Company's interest rate risk arises mainly from borrowings made. Borrowing made at fixed rates exposes the Company to fair value interest rate risk whereas borrowing at variable rate exposes the Company to cash flow interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

Particulars	₹ in Lakhs	
	31 March 2021	31 March 2020
Fixed rate instruments		
Financial assets	8.31	8.31
Financial liabilities	-	-
	8.31	8.31
Variable rate instruments		
Financial assets	-	-
Financial liabilities	-	(228.84)
	-	(228.84)
Total	8.31	(220.53)

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

Capital management

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using a ratio of 'adjusted net debt' to 'total equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings less cash and cash equivalents.

The Company's policy is to keep the ratio below 1.00. The Company's adjusted net debt to equity ratio at 31 March 2021 and 31 March 2020 was as follows:

Particulars	(₹ in Lakhs)	
	31 March 2021	31 March 2020
Borrowings	-	228.84
Less : Cash and cash equivalents	-	544.81

33 Employee benefits**(i) Defined contribution plan:**

The Company makes contributions, determined as a specific percentage of employee salaries, in respect of qualifying employees towards provident fund and employees state insurance, which is a defined contribution plan. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to provident fund and employees state insurance for the year aggregated to ₹ 20.72 Lakhs (31 March 2020: ₹ 123.16 Lakhs)

The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

(ii) Defined benefit plan:**A) The Company has a defined benefit gratuity plan. The plan provides for payment as under:**

- i) On normal retirement / early retirement / withdrawal / resignation:
As per the provisions of the Payment of Gratuity Act, 1972 with vesting period of 5 years of service.
- ii) On death in service:
As per the provisions of the Payment of Gratuity Act, 1972 without any vesting period.

Actuarial valuation of the defined benefit obligation for gratuity are carried out on a yearly basis, the most recent valuation being carried out as on 31 March 2021. The present value of the defined benefit obligations and the related current service cost and past service cost, are measured using the projected unit credit method (PUCM).

Rate of return on plan assets	Not Applicable	Not Applicable

Assumptions regarding future mortality have been based on published statistics and mortality tables. The current longevities underlying the values of the defined benefit obligation at the reporting date were as follows:

Sample Rates of Indian Assured Lives Mortality:

Age (In years)	Rate p.a.
20	0.09%
30	0.10%
40	0.17%
50	0.44%
60	1.12%

**NOTES TO THE FINANCIAL STATEMENTS**

as at 31 March 2021

33 Employee benefits (Contd.)**ii. Sensitivity analysis**

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	(₹ in Lakhs)			
	31 March 2021		31 March 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	36.09	37.41	(0.99)	1.04
Future salary growth (0.5% movement)	37.42	36.39	1.12	(0.79)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

D. Characteristics of defined benefit plans and risks associated with them:

Valuations of defined benefit plan are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit plans which are as follows:

- Interest rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (i.e. value of defined benefit obligation).
- Salary escalation risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- Demographic risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Notes:

- The discount rate is based on the prevailing market yields on Indian Government securities as at the balance sheet date for the estimated term of the obligations.
- The estimates of future salary increase considered in actuarial valuation take account of inflation, seniority, promotion, and other relevant factors such as supply and demand in employment market.
- The Company does not have a carry forward or an encashment policy for compensated absences and hence no liability has been accrued in the financial statements.

While most such assets can be directly attributed to individual segments, the carrying amount of certain assets used jointly by two or more segments is allocated to the segments on a reasonable basis. Segment liabilities include all operating liabilities and consist principally of trade payables and accrued liabilities. Segment assets and liabilities do not include those relating to income taxes.

NOTES TO THE FINANCIAL STATEMENTS

as at 31 March 2021

42 Business operation and COVID-19 Impact

The Company's license arrangement with Being Human - The Salman Khan Foundation ('the Foundation'), which was the core asset of the Company, has been terminated on 5th March 2020, with effect from 31st January 2020. The Company has revisited its business strategy to address the uncertainty caused to the business model and it is exploring various alternatives. Its revised business plan is based on its skills in building a profitable brand in 'Consumer Discretionary Segment' from ground up. However, the discontinuation of the license agreement with the Foundation has coincided with the Covid 19 pandemic that has disrupted the economy in general and retail business in particular. As the economic activities had started again to gain some momentum, post releasing Unlock Norms by the Central & State Govts, the Company had resumed business development activities in line with its proposed business plans prepared. However, the company has not managed to commercialise any of its new business activities and hence uncertainties do exist till date as caused by the cancellation of the license with the Foundation and exogenous global disruption due the pandemic, regarding Company's ability to continue as a 'going concern'. The Management, however, is reasonably confident of reviving Company's business given its reworked strategy supported by the core team that is in place and positive net worth and liquidity at hand.

The Company is exploring various alternatives, including initiating the process of determining new partners and tie-ups with a new trademark owner or creating a homegrown brand, and has made some initial progress in that direction. The Company has the relevant resources to be able to enter a new venture, however, the Company is currently assessing the impact of second wave of the pandemic situation on the Retail Industry and therefore moving cautiously with its plans. The future business operations of the Company, cash flows and projected growth plans are critically dependent upon the materialisation of viable alternatives. However, the Management of the Company does not have any intention to liquidate the Company and is confident that the alternatives being evaluated by the Company will materialise in near future. Accordingly, the financial results continue to be prepared on going concern basis which contemplates realisation of assets and settlement of liabilities in the normal course of business and also continuation of operations of the company under a new business model.

Management's view on 'Going Concern' status: The auditors have expressed serious concern on the going concern status due to the discontinuation of the 'license' vide agreement with the Foundation dated March 5, 2020. The Management, however, has responded with speed to rework its business strategy to meet the uncertainty arising out of this event. The Management believes its business plan is amply supported by the core team that it has nurtured over the years and liquidity, inter alia, arising out of the transaction with the Foundation. As we hope to gain momentum in overall economic activities post lockdown, we shall accelerate our business development plans which was held back. Based on recent overall progress in business development activities, it would be reasonable to expect helpful conditions for roll out by Q3 FY'21-22. The Management, therefore, is of the opinion that there are reasonable grounds to believe that there is no material impact due to the aforesaid disclaimer on 'going concern' status by the Auditors.

The Board while approving the accounts has given serious weightage to the views of the Auditors. It has also received the views of the Management on its strategy to meet the extenuating developments in its business model and the uncertainty in the economy caused by the pandemic. However, the Board is of the view, given the uncertainty and disruption caused by the Covid pandemic, it is advisable to tread with caution and feels reasonably confident that the Management will be able to operationalise the business plan as presented to the Board and the Company' status as a 'going concern' can reasonably be assured thereby.

43. During the year, the Company, on account of business transfer in previous year, has recorded business transfer income amounting to ₹ 438.89 Lakhs.

44. There are no long-term contracts (including derivative contract) that are outstanding at the year end.

45. Previous year figures have been regrouped / rearranged to confirm current year's classification / disclosure.
