## **Cautionary Statement:**

In this Annual Report, we have disclosed forward looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements – written and oral – that we periodically make, contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise.

### 15. AUDITORS

#### A. STATUTORY AUDITORS AND THEIR REPORT

M/s. Ram Agarwal & Associates, Chartered Accountants, (Firm Registration No. 140954W), were appointed as the Statutory Auditors of the Company for a tenure of 5 years commencing from the conclusion of the 10<sup>th</sup> AGM of the Company until the conclusion of the 15<sup>th</sup> AGM of the Company to be held in the calendar year 2026.

The Statutory Auditor has given a disclaimer opinion on the financial statements of the Company for the financial year 2022-2023 for the going concern status of the Company due to termination of the Company's License Agreement, which was the core asset of the Company, with Being Human-The Salman Khan Foundation ('the Foundation') in the financial year 2019-2020. The Company had resumed business development activities in line with its proposed business plans prepared by the Management and Board of Directors of the Company. However, uncertainties still do exist considering current market scenario and development of new brand without brand Ambassador, regarding Company's ability to continue as a 'going concern'. In the Current year company has acquired and registered brand "HUP" and "Device of Turtle" and developed its new range of products and made some progress in that direction. After commercial launch of the products and based on future business operations of the Company has certainty. However, future cash flows and projected growth plans are critically dependent upon the materialization of viability of this event.

Your Company has not shown any intention to liquidate the Company and is confident of reviving the Company's business given its reworked strategy. In fact, from the starting of financial year 2023, Company has started selling the inventories designed and manufactured. Accordingly, the financial results continue to be prepared on going concern basis which contemplates realization of assets and settlement of liabilities in the normal course of business and continuation of operations of the company under the brand.

## DIRECTORS' REPORT (Contd.)

The Company had given security deposit of Rs. 888.55 Lakhs to Directors in the year 2012 (refer note no 8 in the financial statements) for use of the premises situated at "Peninsula Centre" Dr. S.S. Rao Road, Off. Dr Ambedkar Road, Parel, Mumbai 400012 admeasuring 6959 Sq. Ft. saleable area consisting of certain units. In March 2023, due to stress in liquidity and working capital, the management of the Company has decided that there is no need of such premises considering current business operations and future business plans, Hence, the Company has decided not to occupy the premises going forward. Now, the security deposits given became receivable.

The Company has made communication with respective director/promoters against which positive confirmation is received from them confirming payment before 30<sup>th</sup> September, 2023.

The Notes to the financial statements referred in the Auditors Report are self-explanatory and therefore do not call for any comments under Section 134 of the Companies Act, 2013. The Auditors' Report is enclosed with the financial statements in this Annual Report.

### B. SECRETARIAL AUDITORS AND THEIR REPORT

Pursuant to the provisions of Section 204 of the Companies Act, 2013, and the Rules made thereunder the Company has appointed Mr. Nitin R. Joshi, Practicing Company Secretary (Certificate of Practice No. 1884 and Membership No. FCS- 3137) as the Secretarial Auditor of the Company. The Secretarial Audit Report is annexed as Annexure - 'B' and forms an integral part of this Report. The Company has complied with all the applicable secretarial standards.

The Secretarial Audit Report does not contain any other qualification, reservation or adverse remark. The other statements referred in the Secretarial Audit Report are self-explanatory and therefore do not call for any comments under Section 134 of the Companies Act, 2013.

### C. INTERNAL AUDITORS AND THEIR REPORT

M/s. MJPT & Co. LLP, Chartered Accountants, Internal Auditors of the Company have carried out the Internal Audit for FY 2022-23. The Internal Auditor submits their reports to the Audit Committee on periodic basis. Based on the report of Internal Audit, the management undertakes corrective action in their respective areas and thereby strengthens the controls.

### D. COST RECORDS AND COST AUDIT

Maintenance of cost records and requirements of cost audit as prescribed under the provisions of Section 148(1) of the Companies Act, 2013 are not applicable for the business activities carried out by the Company.

## ANNEXURE - 'A' TO DIRECTORS' REPORT

### SALIENT FEATURES OF NOMINATION AND REMUNERATION POLICY ALONG WITH THE CHANGES MADE THEREIN

The Nomination and Remuneration Policy ('NR Policy') of the Company has been formulated with a view to:

1. devise a transparent system of determining the appropriate level of remuneration throughout all levels of employees and teams in the Company;
2. encourage personnel to perform to their highest level;
3. provide consistency in remuneration throughout the Company;
4. offer incentives on the premise of aligning the performance of the business with the performance of key employees and teams within the Company; and
5. set out the approach to diversity on the Board.

The NR Policy elucidates the types of remuneration to be offered by the Company and factors to be considered by the Board of Directors of the Company, Nomination and Remuneration Committee and management of the Company in determining the appropriate remuneration policy for the Company.

The NR Policy applies to the Company's senior management employees, including its Key managerial personnel and Board of Directors.

The NR Policy also acts as a guide in evaluating the performance of the officers of the Company which are two level below the Board and states that such evaluation shall be carried out by the Managing Director in consultation with CEO and Head-HR and a summary of the evaluation carried out shall also be placed annually before the Nomination and Remuneration Committee for its approval.

The policy represents the overreaching approach of the Company to the remuneration of Directors, KMPs and other employees. The detailed policy is available on the Company's website [at https://huvl.in/codes-of-conduct/8-nomination-and-remuneration-policy/](https://huvl.in/codes-of-conduct/8-nomination-and-remuneration-policy/)

# MANAGEMENT DISCUSSION AND ANALYSIS

## GLOBAL ECONOMY

The global economy is gradually recovering from the impact of pandemic and at the same time facing new challenges emerging from Russia's invasion of Ukraine. Tightening of monetary policy by most Central Banks is expected to have a positive impact. Despite monetary tightening, inflation is persistent in many key economies and it is anticipated that global inflation will fall from 8.7% last year to 7% this year and settle at around 5% in the year 2024. Global growth is expected to fall from 3.5 % in 2022 to 3% percent in both 2023 and 2024, according to World Economic Outlook (WEO).

### Indian Economy

The Indian Economy continues to show resilience amid Global Uncertainties. Despite significant challenges in the global environment, India was one of the fastest growing economies in the world. India's overall growth remains robust and GDP has grown up by 7.2% in the financial year 2022-23. Growth was driven by strong investment activity augmented by the government's capex push and buoyant private consumption.

Dwelling on the outlook for FY2023-24, the Economic Survey 2022-23 issued by Ministry of Finance projects that, India's recovery from the pandemic was relatively quick, and growth in the upcoming year will be supported by solid domestic demand and a pickup in capital investment. It further affirms that aided by healthy financials, incipient signs of a new private sector capital formation cycle are visible and more importantly, compensating for the private sector's caution in capital expenditure, the government raised capital expenditure substantially. Explaining the economic outlook factoring global rudiments, the slowdown in global growth and economic output coupled with increased uncertainty is likely to dampen global trade growth. Strong domestic demand amidst high commodity prices will raise India's total import bill and contribute to unfavorable developments in the current account balance. These may be exacerbated by plateauing export growth on account of slackening global demand. Should the current account deficit widen further, the currency may come under depreciation pressure. Also, entrenched inflation may prolong the tightening cycle, and therefore, borrowing costs may stay 'higher for longer'. In such a scenario, global economy may be characterized by low growth in FY24. However, the scenario of subdued global growth presents two silver linings – oil prices will stay low, and India's CAD will be better than currently projected. The overall external situation is expected to remain manageable for India.

### Indian Retail

India's retail sector is on a trajectory of growth and estimated to be US\$ 1.1 trillion by 2027 and US\$ 2 trillion by 2032. Currently, India is the world's fourth-largest preferred retail destination and has the second-largest internet market, boasting a user base of 780 million. The retail market size is expected to range from US\$ 740-760 billion in 2022, with a 2% increase in the share of e-commerce channels witnessed in the past three years. Offline retail channels have also shown a 15% increment in CAGR for top channels in 9M FY23 vs 9M FY20. India ranks among the best countries to invest in the retail space, primarily due to its vast population, a

rising middle-income class of around 158 million households, increasing urbanisation, connected rural consumers, and increased discretionary spending. The retail sector currently accounts for over 10% of India's GDP and around 8% of the workforce, with projections estimating that it will create 25 million new jobs by 2030. The demand for organised retail space has helped create a capacity of approximately 120 million sq. ft. in retail space across major Indian cities such as Delhi and Mumbai.

The Indian ecommerce market is estimated to grow by 21.5% reaching USD 74.8 billion in 2022 and is likely to reach USD 350 billion by 2030 with grocery and fashion/ apparel likely to be its key growth drivers. India's e-commerce festive season sales clocked in a gross merchandise value of US\$ 9.2 billion, an increase of 23% compared 2020. With the number of internet connections in 2021 significantly increasing to 830 million, internet penetration increased from 4% in 2007 to 45% in 2021. Online penetration of retail is expected to reach 10.7% by 2024 compared to 4.7% in 2019, while online shoppers in India are expected to reach 220 million by 2025. According to a report published by IAMA and Kantar Research, India internet users are expected to reach 900 million by 2025 from ~658 million internet users in 2020, increasing at a CAGR of 45% until 2025. The online retail market in India is estimated to be 25% of the total organized retail market and is expected to reach 37% by 2030.

In India, several international apparel brands have commenced operations realizing that the Indian market is likely to emerge as one of the largest apparel markets in the world in the next few decades.

## REVIEW OF COMPANY'S BUSINESS OPERATIONS, OPPORTUNITIES AND THREATS/RISKS AND ITS MITIGATION

During the FY 2022-23, The Company has acquired all the rights, title and interest in the new brands "HUP" and "Device of Turtle" by executing Deed of perpetual assignment for the purpose of its operations from one of its promoter, Mr. Manish Mandhana at the cost as incurred by him i.e. Rs. 6.90 lakh according to valuation report.

During the year, the Company has developed new range of products into fashion apparels and accessories business including T-shirts, Caps, Hats, socks, Underwear and such different categories of products. The Company has also launched its own website [www.hupessentials.com](http://www.hupessentials.com) and activated social media handles in the last quarter of the financial year and started selling the inventories designed and manufactured. The Company has entered into an outright purchase agreement with Reliance Retail Limited for sale of the fashion apparels and accessories under the brand "HUP" on their e-commerce platform.

As the Company is in the process of establishing the brand across all channels, an inherent risk of new business operations becoming futile is the ultimate risk which the Company is facing. As there were no business operations during the FY 2022-23, the details pertaining to segment-wise revenue could not be provided.

Establishing a non-celebrity brand within an increasingly saturated market characterized by intense brand rivalry,

## MANAGEMENT DISCUSSION AND ANALYSIS (Contd.)

surplus supply pressures, online platform discounts impact margin, elevated procurement costs, and operational challenges presents a significant challenge for the company. The company is dedicating considerable efforts toward producing high-quality goods at affordable prices.

It anticipates receiving constructive responses regarding its existing product inventories, which will serve as a foundation for refining its market penetration strategy. This involves devising plans for enhanced procurement to amplify production volume and expand the reach of the brand.

### Performance Review

During the year, we achieved sales of Rs. 151.07 lakh, reflecting a (decline of 60% over Rs. 251.64 Lakh in FY22. Net loss after tax stood at Rs. 965.54 Lakh, as compared to net loss of Rs. 536.06 Lakh in FY22.

### Human Assets

Our people are at the heart of everything we do and we implement a variety of initiatives to augment their operational capabilities. As on 31<sup>st</sup> March, 2023, our workforce strength is recorded at 20 (excluding the Executive Directors of the Company).

### INTERNAL CONTROLS AND THEIR ADEQUACY

We have set up a comprehensive system of internal controls, along with a structured internal audit process, vested with the task of safeguarding the assets of the organisation, and ensuring reliability and accuracy of the accounting and other operational data. Internal audit is conducted for all the processes to identify risks and verify whether all systems and processes are commensurate with the business size and structure. These internal controls are verified by the Audit Committee to monitor existing systems and take corrective measures, wherever required.

# INDEPENDENT AUDITOR'S REPORT

To the Members of  
**HEADS UP VENTURES LIMITED**  
(Formerly known as THE MANDHANA RETAIL VENTURES LIMITED)

## Report on the Audit of the Financial Statements

### Disclaimer of Opinion

We were engaged to audit the accompanying financial statements of **Heads UP Ventures Limited** formerly known as **The Mandhana Retail Ventures Limited** ("the Company"), which comprise the balance sheet as at 31 March 2023 and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

We do not express an opinion on the accompanying financial statements of the Company. In view of the significance of the matter described in the "Basis for Disclaimer of Opinion" section of our report, we have not been able to obtain sufficient appropriate audit evidence regarding whether the use of going concern assumption is appropriate or not. Therefore, we are unable to conclude as to whether the aforesaid financial statements are presented in accordance with the applicable accounting standards and other recognized accounting practices and policies.

### Basis for Disclaimer of Opinion

We draw attention to Note No. 37 of the standalone financial statements regarding preparation of the financial statements on going concern basis. Although, the company has registered a new brand "HUP" under its name, developed wide range of sample merchandises and recent launch of commercial brand but results of these plans are yet to be materialized. Hence, there still exists uncertainty regarding the future prospects of the business and the company's ability to continue as going concern. The Management and the Board of Directors believes that the Company will be able to meet all its contractual obligations and liabilities as they fall due in near future and therefore these standalone financial statements are prepared based on going concern basis. As we are unable to obtain sufficient and appropriate audit evidence about future business transaction thereof, accordingly, we are unable to conclude whether the Company will be able to continue as a going concern and the consequential implications arising therefrom on the standalone financial statements of the Company.

### Emphasis of Matter

We draw attention to Note No. 38 of the standalone financial statements regarding recoverability of security deposits of Rs.8.88 Cr given to directors/promoters against their office premises taken on rent by the company for its business purposes, which became recoverable from director/promoter since company has decided not to occupy the premises going forward during the year considering the complete downsize in business operations. The company is in the process of recovering these security deposits from director/promoters.

### Information Other than the Standalone financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for other information. Other information comprises the information included in the Annual Report, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover other information and we do not express any form of assurance, conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and

## INDEPENDENT AUDITOR'S REPORT (Contd.)

maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Company's financial statements in accordance with Standards on Auditing and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Company in accordance with the Code of Ethics and provisions of the Act that are relevant to our audit of the financial statements in India under the Act, and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Act.

### Report on Other Legal and Regulatory Requirements

- (i) As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs of the Order, to the extent applicable.
- (ii) (A) As required by section 143(3) of the Act, read with the paragraph related to Basis for Disclaimer of Opinion, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
  - d) Due to the possible effects of the matter described in the Basis of Disclaimer Opinion paragraph, we are unable to state whether the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act.
  - e) The matter described in Basis for Disclaimer of Opinion paragraph could have an adverse effect on the functioning on the Company.
  - f) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of section 164(2) of the Act.
  - g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - a) The Company has disclosed the impact of pending litigations on its financial position in its financial statements as at 31 March 2023. Refer Note 34 to the financial statements.
  - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

**INDEPENDENT AUDITOR'S REPORT (Contd.)**

- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the company or
  - provide any guarantee, security or the like to or on behalf of Ultimate Beneficiaries;
- (ii) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entities, including foreign entities ("Funding parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
  - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
  - Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d)(i) and (d)(ii) contain any material misstatement; and
- e) During the year company has not declared any dividend in compliance to section 123 of the Act.
- f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) of the Act which are required to be commented upon by us.

## INDEPENDENT AUDITOR'S REPORT (Contd.)

### ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS OF THE HEADS UP VENTURES LIMITED FOR THE YEAR ENDED 31 MARCH 2023

With reference to the **Annexure A** referred to in the Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2023, we report the following:

**(Referred to in paragraph (i) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

- (i) In respect of Property, Plant and Equipment:
- (a) (A) According to the information and explanation given to us, the Company is in the process of maintenance of proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
(B) The Company has maintained proper records showing full particulars of intangibles assets.
  - (b) As explained to us, The Company has a regular programme of physical verification of its Property, Plant and Equipment and verified regularly at reasonable intervals. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In our opinion and according to information and explanations given to us, no material discrepancies were noticed upon such verification during the year.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, The Company does not have any immovable property as on 31<sup>st</sup> March, 2023 and hence, clause 3 (i) (c) of the Order is not applicable to the Company.
  - (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2023.
  - (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) In Respect of Inventory
- (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventories.
  - (b) The Company has availed overdraft facility from the ICICI bank for working capital during year on the basis of security of fixed deposits. However, there is no requirement to submit any quarterly statements to the bank.
- (iii) During the year the Company has not made investments or has not provided loans or advances in the nature of loans, or stood guarantee, or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii) (a) to (f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of Loans given. The Company has not made any Investments, nor given guarantee or security as covered by the provisions of sections 185 and 186 of the Act.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified the maintenance of cost accounting records under section 148(1) of the Act, for the product/services of the Company. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, goods and services tax and other statutory dues which have not been deposited on account of any dispute as under:

## INDEPENDENT AUDITOR'S REPORT (Contd.)

### ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS OF HEADS UP VENTURES LIMITED FOR THE YEAR ENDED 31 MARCH 2023

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013

**(Referred to in paragraph (ii)(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

We have audited the internal financial controls with reference to financial statements of **Heads UP Ventures Limited** formerly known as **The Mandhana Retail Ventures Limited** ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. Further, considering the Disclaimer of Opinion in main audit report and the inherent limitations of internal financial controls with reference to financial statements, there are limitations in consideration of such controls operating as at the balance sheet

date for the future operations of the Company.

### Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls systems over financial reporting. Based on selective verification of risk control matrixes, data made available to us digitally, such internal financial control over financial reporting were operating effectively as at March 31, 2023. Based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

**II Audit Qualification (each audit qualification separately):**
**a) Basis for Disclaimer of Opinion of Audit Qualification:**
**Extract of Disclaimer of Opinion:**

We draw attention to Note No. 3 of the standalone financial statements regarding preparation of the financial statements on going concern basis. Although, a company has registered a new brand "HUP" under its name, developed wide range of sample merchandises and is in the process of commercial launch of the brand but these plans are yet to be materialized. Hence, there still exists uncertainty regarding the future prospects of the business and the company's ability to continue as going concern. The Management and the Board of Directors believes that the Company will be able to meet all its contractual obligations and liabilities as they fall due in near future and therefore these standalone financial statements are prepared based on going concern basis. As we are unable to obtain sufficient and appropriate audit evidence about future business transaction thereof. Accordingly, we are unable to conclude whether the Company will be able to continue as a going concern and the consequential implications arising therefrom on the standalone financial statements of the Company.

**Extract of Emphasis of Matter:**

We draw attention to Note No. 4 of the standalone financial statements regarding recoverability of security deposits of Rs.8.88 Cr given to directors/promoters against their office premises taken on rent by the company for its business purposes, which became recoverable from director/promoter since company has decided not occupy the premises going forward during the year considering the complete downsize in business operations. The company is in the process of recovering these security deposits from director/promoters.

**b) Type of Audit Qualification:** Qualified Opinion / Disclaimer of Opinion / Adverse Opinion

**c) Frequency of qualification:** Whether appeared first time / repetitive / since how long continuing

**d) For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:** N.A.

**e) For Audit Qualification(s) where the impact is not quantified by the auditor:**

**(i) Management's clarifications/revert on the impact of audit qualification:**

**Extract of Note from the Management:**

The Company's license arrangement with Being Human - The Salman Khan Foundation ('the Foundation'), which was the core asset of the Company, which has been terminated in the financial year 2019-20. The Company has revisited its business strategy to address these uncertainty caused due to change in business model.

Due to discontinuation of the license agreement with the Foundation, the Company had resumed business development activities in line with its proposed business plans prepared by the management and board of directors of the company. However, uncertainties still do exist considering current market scenario and development of new brand without brand Ambassador, regarding Company's ability to continue as a 'going concern'. The Management, however, is reasonably confident of reviving Company's business given its reworked strategy of launching new brand.

On 6<sup>th</sup> June, 2022 the company has acquired brand "HUP" and "Device of Turtle" by Deed of perpetual assignment from Mr. Manish Mandhana and developed its new range of products and made some progress in

that direction. After commercial launch of the products and based on future business operations of the Company has certainty, that future cash flows and projected growth plans are critically dependent upon the materialization of viability of this event.

The Management and Board of directors has not shown any intention to liquidate the Company and in fact from the financial year starting from April - 2023 Company has started selling the inventories designed and manufactured. Accordingly, the financial results continue to be prepared on going concern basis which contemplates realization of assets and settlement of liabilities in the normal course of business and continuation of operations of the company under the brand.

**Extract of the Management Revert on Emphasis Matter:**

The company had given security deposit of Rs 888.55 Lakhs to Directors in the year 2012 (refer note no 8 in the financial statements) for use of the premises situated at "Peninsula Centre" Dr. S.S. Rao Road, Off. Dr Ambedkar Road, Parel, Mumbai 400012. The break-up of security deposit is as under;

Sr. No	Name of the Key Management Personnel	Amounts (₹ In Lakhs)
1	Manish Mandhana - Promoter	437.50
2	Priyavrat Mandhana - Director	451.05
<b>TOTAL</b>		<b>888.55</b>

In Mar - 23 due to stress in liquidity and working capital, management of company has decided that there is no need of such premises considering current business operations and future business plans, hence company has not occupied the premises during the year. Now these securities deposits given to them became receivable. With regards to same the company has made communication with respective director/promoters against which positive confirmation is received from them confirming payment before 30<sup>th</sup> Sep, 2023.

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023

### 1. Company overview

Heads UP Ventures Limited (formerly known as The Mandhana Retail Ventures Limited ("the Company") was incorporated under the Companies Act, 1956 ("the Act") on 12<sup>th</sup> February, 2011. The Company was converted into a public limited company by getting its shares listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE) w.e.f. 14<sup>th</sup> December, 2016. During the previous year the name of the company was changed to Heads UP Ventures Limited to sync the same in line with the brand "HUP" being acquired, the company after change in name continue to operate in same line of business of fashion apparels and accessories.

Pursuant to the approval of the Scheme of Demerger, the Company had acquired the demerged undertaking of Mandhana Industries Limited which was engaged in the business of designing, retailing, marketing and distributing men's wear, women's wear and accessories of "Being Human" trademark under the global exclusive trademark license agreement ('the License agreement') with The Salman Khan Foundation ('the Foundation'). This Licensee agreement was foreclosed with the Foundation on 31<sup>st</sup> January, 2020 and with the Being Human business getting transferred to another licensee, the company has acquired and registered brand "HUP" and "Device of Turtle" and developed its new range of products and made some progress in that direction.

### 2. A. Basis of preparation of financial statements

#### a) Statement of compliance

These financial statements of the Company for the year ended 31<sup>st</sup> March, 2023 are prepared in accordance with Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as per the Companies Ind AS Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('Act'), amendments thereto and other relevant provisions of the Act.

While the Licensee agreement with the Foundation was mutually cancelled vide agreement dated 5<sup>th</sup> March, 2020 with effective date of cancellation being 31<sup>st</sup> January 2020, the Company's management have strategically decided to create new inventory under brand "HUP" & "Device of Turtle" with the skills of existing team and accordingly in Q3 of 2022-23 the company have tied up with Reliance Retail Limited for sale of its apparels on its online channel. The Company has created fresh categories of fashion apparels and accessories and expects the commercial launch of its products early in FY 2023-24 on online market place and its own shopping website <https://www.hupessentials.com/>. Though the company's cash reserves has reduced but the promoters are committed to run the business and slowly and steadily scale up operations.

Basis the facts referred aforesaid para, the standalone financial statements of the Company

for the year ended 31<sup>st</sup> March, 2023 have been prepared on accrual and going concern basis and do not include any adjustments relating to recoverability and classification of recorded assets or to amounts and classification of liabilities that may be necessary, if the Company is unable to continue as a going concern.

The financial statements of the Company for the year ended 31<sup>st</sup> March, 2023 were approved for issue in accordance with the resolution of the Board of Directors on 25<sup>th</sup> May, 2023.

#### b) Historical cost convention

The standalone financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities and employee benefit obligations that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

#### c) Functional and presentation currency

Items included in the standalone financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (Rs.) which is the Company's functional and presentation currency. All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest lakh as per the requirement of Division II of Schedule III to the Act, unless otherwise stated.

#### d) Critical accounting judgments and key sources of estimation uncertainty

The preparation of the standalone financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)**

The areas involving critical estimates and judgments are:

**i. Property, plant and equipment**

Determination of the estimated useful lives of property, plant and equipment and the assessment of components of the cost that may be capitalised. Useful lives of tangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

**ii. Valuation of inventories**

Valuation of inventories comprises stock in trade at every reporting period end. Net realizable value of inventories is estimated basis the selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

**iii. Defined benefit obligations**

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined based on the prevailing market yields of Indian Government Securities as at the Balance Sheet date for the estimated term of the obligations.

**iv. Impairment of non-financial assets**

Impairment exists when the carrying value of an assets exceeds its recoverable amount, which is higher of its fair value less cost of disposal and its value in use. The value in use is determined based upon discounted cash flow model which is derived from the budget determined by the Company. The recoverable amount is sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash inflows and the growth rate used.

**v. Deferred tax assets**

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized.

**vi. Provisions and contingencies**

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, past experience and circumstances known at the Balance Sheet date.

**vii. Financial instruments**

All financial instruments are required to be measured at fair value on initial recognition. In case of financial instruments which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method. Rate of interest is estimated basis the prevailing market interest rate or the rate applicable to the company on any other financial instrument.

**viii. Leases**

Ind AS 116 'Leases' requires a lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying lease to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

**e) Classification of assets and liabilities**

All assets and liabilities are classified into current and non-current.

**Assets**

An asset is classified as current when it satisfies any of the following criteria:

- i. it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realized within twelve months after the reporting date; or

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)

- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Current assets include the current portion of noncurrent financial assets.

All other assets are classified as non-current.

### **Liabilities**

A liability is classified as current when it satisfies any of the following criteria:

- i. it is expected to be settled in the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is due to be settled within twelve months after the reporting date; or
- iv. the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

### **Operating cycle**

Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

## **B. Summary of significant accounting policies**

### **a. Revenue recognition**

#### **Sale of goods**

The Company derives revenues primarily from sale of traded goods.

Effective April 1, 2018, the Company has applied Ind AS 115 'Revenue from Contracts with Customers' which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 'Revenue'. There is no impact of the adoption of the new standard on the financial statements of the Company.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of products to end customers in an amount that reflects the consideration the Company expects to receive in exchange for those products. The performance obligations in our contracts are fulfilled at the time of delivery.

Revenue is measured based on transaction price which is fair value of the consideration received or receivable, after deduction of any discounts, sales incentives / schemes and any taxes or duties collected on behalf of the government such as goods and services tax, etc.

### **Export Benefits**

Export incentives (i.e. duty drawback and DEPB license) are recognized in the year on the basis of claims submitted to the appropriate authorities provided there is no uncertainty to expect ultimate collection at the time of making the claim.

### **Interest income**

For all interest bearing financial assets measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

## **b. Property, plant and equipment**

### **i. Recognition and measurement**

Items of property, plant and equipment (PPE) are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of an item of PPE comprises its purchase price, including import duties and other non-refundable taxes or levies, borrowing costs if any and any directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Expenditure/income during construction period is included under Capital work in progress, and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current assets".

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

### **ii. Subsequent expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in the Statement of Profit and Loss as incurred.

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023

### iii. Depreciation

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') as per the useful life prescribed under Schedule II of the Companies Act, 2013, which, in management's opinion, reflect the estimates useful economic lives of fixed assets.

Leasehold improvements are amortized over the lease term. Depreciation for the year is recognised in the Statement of Profit and Loss.

The following table gives the useful life of different Property, plant and equipment as per Schedule II:

Particulars	Useful Life
Office equipment	5 years
Desktops/laptops and accessories	3 years
Motor Car	6 years

### iv. De-recognition

An item of property, plant and equipment is eliminated from the standalone financial statement on disposal or when no further benefit is expected from its use and disposal.

Losses arising from retirement or gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

### v. Impairment of property, plant and equipment

The carrying values of assets at each Balance Sheet date are reviewed for impairment if any indication of impairment exists.

### c. Intangible assets

#### i. Recognition and measurement

Intangible assets are recognized only when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of such assets can be measured reliably. Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortisation and any accumulated impairment loss. All costs relating to the acquisition are capitalized.

#### ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits from the specific asset to which it relates.

### iii. Amortisation

Intangible assets are amortised over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

The useful lives are reviewed by the management at each financial year-end and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the revised remaining useful life.

Amortisation for the year is recognised in the Statement of Profit and Loss.

### iv. De-recognition

An intangible asset is de-recognised on disposal or when no future economic benefits are expected from its use and disposal. Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss.

### v. Impairment of intangible assets

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment loss is recognised if the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023

accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years. In case of revalued assets, such reversal is not recognized.

### **d. Leases**

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of identified asset;
- ii. the Company has substantially all of the economic benefits from the use of the asset through the period of lease; and
- iii. the Company has the right to direct the use of the asset.

#### **As a lessee**

The Company will recognize a right-of-use asset ("ROU") and a lease liability at the lease commencement date if any. The ROU is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The ROU is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a

purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the ROU, or is recorded in Statement of Profit or Loss if the carrying amount of the ROU has been reduced to zero.

Lease Liabilities are presented in 'Financial Liabilities' and the 'ROU Asset' is presented separately in the Balance Sheet. Lease payments are classified as financing activities in the Statement of Cash Flows.

#### **Short-term leases and leases of low-value assets**

The Company has elected not to recognise ROU and lease liabilities for short term leases that have a lease term of 12 months or lower and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term. The related cash flows are classified as Operating activities in the Statement of Cash Flows.

#### **As a Lessee**

##### **Operating Leases**

Lease rentals are charged or recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

##### **Finance Leases**

Assets held under finance leases are recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to the Statement of Profit and Loss.

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)**
**e. Inventories**

Inventories comprise of stock in trade which are carried at the lower of cost and net realizable value. Cost is determined on first in first out ("FIFO") basis.

Cost of stock in trade comprises of all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make the sale.

**f. Foreign currency transactions and translations**

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognized in the Statement of Profit and Loss of the year.

Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

**g) Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**i. Financial assets**
**Classification**

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

**Initial recognition and measurement**

Financial assets are recognised when the Company becomes a party to a contract that gives rise to a financial asset of one entity or equity instrument of another entity. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, other than those designated as fair value through profit or loss (FVTPL), are added to or deducted

from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at FVTPL are recognised immediately in Statement of Profit and Loss.

**Measurement of fair values**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market of the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes financial assets into three levels. As described as follows, these levels are based on the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (level 3 inputs).

Level 1: Fair value based on quoted, unadjusted prices on active markets

Level 2: Fair value based on parameters for which directly or indirectly quoted prices on active market are available

Level 3: Fair value based on parameters for which there is no observable market data

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

**Subsequent measurement**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- The entity's business model for managing the financial assets and
- The contractual cash flow characteristics of the financial asset.

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)

### Amortised cost

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognised (i.e. removed from the Company's Balance Sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - (a) The Company has transferred substantially all the risks and rewards of the asset, or
  - (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### Impairment of financial assets

Financial assets of the Company comprise of trade receivable and other receivables consisting of debt instruments such as security deposits and bank balance. Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. An impairment loss for trade and other receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. Impairment losses if any, are recognised in Statement of Profit and Loss for the year.

The Company recognises loss allowance using expected credit loss model for financial assets which are not measured at Fair Value Through Profit or Loss. Expected credit losses are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at original effective rate of interest. For Trade receivables, the Company measures loss allowance at an amount equal to lifetime expected credit losses. The Company computes expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

### ii. Financial liabilities

#### Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

#### Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

#### Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognized. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)**
**De-recognition**

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**h) Employee benefits**
**Short-term employee benefits**

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the employee service is recognized as an expense as the related service is rendered by the employee. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**Post-employment benefits**
**Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution to Provident Fund, ESIC and Labour Welfare Fund are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders related service.

**Defined Benefit Plan**

The Company's gratuity benefit scheme is a defined benefit plan covering eligible employees in accordance with the Payment of Gratuity

Act, 1972. The Company's net obligation in respect of the defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any assets are deducted. The calculation of the Company's obligation under the plans is performed annually by a qualified actuary using the projected unit credit method at the Balance Sheet date.

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, are recognised immediately in other comprehensive income (OCI). The service and interest cost related to defined benefit plans are recognised in employee benefits in the Statement of Profit and Loss. When the benefits of a plan are improved, the portion of the increased benefit related to past service by employees is recognised in the Statement of Profit and Loss on a straight line basis over the average period until the benefits become vested. The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

**i) Taxation**

Income-tax expense comprise current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit if the (reflecting the tax effects of timing differences between accounting income and taxable income for the period). It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

**Current tax**

Current tax is measured at that amount expected to be paid to (recovered from) the taxation authorities, on the taxable income or loss determined in accordance with Income Tax Act, 1961 and includes any adjustment to the tax payable or receivable in respect of previous years.

**Deferred tax**

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognised directly in equity or OCI is recognised in equity

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)

or OCI and not in the Statement of Profit and Loss. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that future taxable profits will be available.

### **j) Impairment of non-financial asset (excluding inventories and deferred tax assets)**

Non-financial assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

Where it is not possible to estimate the recoverable amount of an individual asset, the impairment test is carried out on the smallest group of assets to which it belongs for which there are separately identifiable cash flows; its cash generating units ('CGUs').

### **k) Earnings per share**

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- i. the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- ii. the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

### **l) Borrowing costs**

Borrowing costs are interest and other costs related to borrowing that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs include interest costs measured at Effective Interest Rate (EIR) and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Ancillary borrowing costs are amortised over the tenure of the loan.

Borrowing costs that are attributable to acquisition or construction of qualifying assets

are capitalized as a part of cost of such assets till the time the asset is ready for its intended use. A qualifying assets is the one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recorded as an expense in the year in which they are incurred. Ancillary borrowing costs are amortised over the tenure of the loan.

### **m) Provisions, Contingent liabilities and Contingent assets**

Provisions are recognized when the Company recognizes that it has a present obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. Provisions are measured at the present value of managements best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to passage of time is recognised as interest expense.

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in financial statements.

### **n) Cash and Cash equivalents**

Cash and cash equivalents comprise cash-in-hand and cash on deposits with banks and financial institutions. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amount of cash to be cash equivalents.

### **o) Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)**

to the chief operating decision maker.

The Chief Executive officer assesses the financial performance and position of the Company, and makes strategic decisions. He is identified as being the chief operating decision maker for the Company. The Company has only one business segment, which is trading in garments and company generates revenue majorly from Domestic sales along with some export sales. Accordingly, the amounts appearing in these financial statements relate to this one business segment.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment assets include all operating assets used by the business segment and consist principally of fixed assets, trade receivables and inventories. Segment liabilities include operating liabilities pertaining to the segment.

Segment revenue, segment results, segment assets and segment liabilities include the respective amounts identifiable to each segment as also the amount allocable on a reasonable basis.

Segment assets and liabilities that cannot be allocated between the segments are shown as part of unallocated assets and liabilities respectively. Income and expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segment are reflected as unallocated income and expense.

**p) Events after the reporting date**

Where events occurring after the Balance Sheet date provide evidence of conditions that existed as at the end of the reporting period, the impact of such events is adjusted within the standalone financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

**q) Ind AS 103 - Reference to Conceptual Framework**

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

**r) Ind AS 16 - Proceeds before intended use**

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognize such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

**s) Ind AS 37 - Onerous Contracts - Costs of Fulfilling a Contract**

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification, and the Company does not expect the amendment to have any significant impact in its financial statements.

**t) Recent Pronouncements relating to Provident Fund and Gratuity Act**

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020, and invited suggestions from stakeholders which are under consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

**u) Recent Pronouncements relating to Indian Accounting standard**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

**(i) Ind AS 1 - Presentation of Financial Statements** - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)

on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

- (ii) **Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors** - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

- (iii) **Ind AS 12 - Income Taxes** - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

**2. Terms / rights attached to equity shares issued**

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred tax assets is based on estimates of future taxable income and the period over which deferred tax assets will be recovered.

\* Deferred tax assets have been derecognised and charged off in the statement of profit and loss of the current year as the Company will not be able to utilise the unused tax losses and unused tax credits as it is not probable that the Company would generate sufficient future taxable profits from its operations.

#### B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk
- Interest rate risk

##### Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)**
**28 Financial instruments - Fair values and risk management (Continued)**
**B. Financial risk management (Continued)**
**i. Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

The carrying amount of following financial assets represents the maximum credit exposure:

**Trade receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Risk Management Committee has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, and in some cases bank references. Sale limits are established for each customer and reviewed quarterly. Any sales exceeding those limits require approval from the Risk Management Committee.

Goods are sold subject to retention of title clauses, so that in the event of non-payment the Company may have a secured claim. The Company does not otherwise require collateral in respect of trade and other receivables

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)

### 28 Financial instruments - Fair values and risk management (Continued)

#### B. Financial risk management (Continued)

##### ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

##### Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted:

		₹ in Lakhs

Other financial liabilities	633.25	633.25	633.25	-	-	-

##### iii. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, our exposure to market risk is a function of borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in foreign currency revenues and costs.

##### Currency risk

The Company is exposed to currency risk on account of its trade receivables and trade payables in foreign currency. The functional currency of the Company is Rs. The Company does not use any forward exchange contracts to hedge its currency risk.

##### Exposure to currency risk

The currency profile of financial assets and financial liabilities in Rupee terms as at 31 March 2023 and 31<sup>st</sup> Mar 2022 are as below:

		₹ in Lakhs	
31 March 2023		USD	EURO

**iii. Market risk (Continued)**
**Sensitivity analysis**

A reasonably possible strengthening (weakening) of the Rs. against USD/Euro at year end would have affected the measurement of financial instruments denominated in these currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

**iv. Interest rate risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

**Exposure to interest rate risk**

Company's interest rate risk arises mainly from borrowings made. Borrowing made at fixed rates exposes the Company to fair value interest rate risk whereas borrowing at variable rate exposes the Company to cash flow interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

##### iv. Interest rate risk (Continued)

##### Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

##### Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

##### Capital management

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position.

The Company monitors capital using a ratio of 'adjusted net debt' to 'total equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings less cash and cash equivalents.

The Company's policy is to keep the ratio below 1.00. The Company's adjusted net debt to equity ratio at 31 March 2023 and 31 March 2022 was as follows:

Particulars	₹ in Lakhs	
	31 March 2023	31 March 2022

**NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)**
**29 Employee benefits**
**(i) Defined contribution plan:**

The Company makes contributions, determined as a specific percentage of employee salaries, in respect of qualifying employees towards provident fund and employees state insurance, which is a defined contribution plan. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to provident fund and employees state insurance for the year aggregated to Rs. 17.86 Lakhs (31 March 2022: Rs. 20.72 Lakhs)

The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

**(ii) Defined benefit plan:**
**A. The Company has a defined benefit gratuity plan. The plan provides for payment as under:**
**i) On normal retirement / early retirement / withdrawal / resignation:**

As per the provisions of the Payment of Gratuity Act, 1972 with vesting period of 5 years of service.

**ii) On death in service:**

As per the provisions of the Payment of Gratuity Act, 1972 without any vesting period.

Actuarial valuation of the defined benefit obligation for gratuity are carried out on a yearly basis, the most recent valuation being carried out as on 31 March 2023. The present value of the defined benefit obligations and the related current service cost and past service cost, are measured using the projected unit credit method (PUCM).

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at the balance sheet date:

	₹ in Lakhs

#### C. Defined benefit obligations

##### i. Actuarial assumptions

The following were the principal actuarial assumptions at the reporting date (expressed as weighted averages):

	31 March 2023	31 March 2022
Discount rate	7.30%	6.10%
Salary escalation rate	5.10%	5.10%
Withdrawal rates	35% p.a at younger ages reducing to 5% p.a at older ages	35% p.a at younger ages reducing to 5% p.a at older ages
Rate of return on plan assets	Not Applicable	Not Applicable

Assumptions regarding future mortality have been based on published statistics and mortality tables. The current longevities underlying the values of the defined benefit obligation at the reporting date were as follows:

##### Sample Rates of Indian Assured Lives Mortality:

Age (In years)	Rate p.a.
20	0.09%
30	0.10%
40	0.17%
50	0.44%
60	1.12%

##### ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	₹ in Lakhs			
	31 March 2023		31 March 2022	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	38.44	39.81	39.03	40.54
Future salary growth (0.5% movement)	39.80	38.51	40.32	39.23

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

#### D. Characteristics of defined benefit plans and risks associated with them:

Valuations of defined benefit plan are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit plans which are as follows:

- a. Interest rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (i.e. value of defined benefit obligation).
- b. Salary escalation risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
- c. Demographic risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

#### Notes:

1. The discount rate is based on the prevailing market yields on Indian Government securities as at the balance sheet date for the estimated term of the obligations.
2. The estimates of future salary increase considered in actuarial valuation take account of inflation, seniority, promotion, and other relevant factors such as supply and demand in employment market.
3. The Company does not have a carry forward or an encashment policy for compensated absences and hence no liability has been accrued in the financial statements.

## NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2023 (Contd.)

- 37** The Company's license arrangement with Being Human - The Salman Khan Foundation ('the Foundation'), which was the core asset of the Company, which has been terminated in the financial year 2019-20. The Company has revisited its business strategy to address these uncertainty caused due to change in business model.

The discontinuation of the license agreement with the Foundation has coincided the Company had resumed business development activities in line with its proposed business plans prepared by the management and board of directors of the company. however, uncertainties still do exist considering current market scenario and development of new brand without brand Ambassador, regarding Company's ability to continue as a 'going concern'. The Management, however, is reasonably confident of reviving Company's business given its reworked strategy of launching new brand.

In the Current year company has acquired and registered brand "HUP" and "Device of Turtle" and developed its new range of products and made some progress in that direction. After commercial launch of the products and based on future business operations of the Company has certainty, that future cash flows and projected growth plans are critically dependent upon the materialization of viability of this event.

The Management and Board of directors has not shown any intention to liquidate the Company and in fact from the financial year starting from April - 2023 Company has started selling the inventories designed and manufactured. Accordingly, the financial results continue to be prepared on going concern basis which contemplates realization of assets and settlement of liabilities in the normal course of business and continuation of operations of the company under the brand.

- 38** The company had given security deposit of Rs 888.55 Lakhs to Directors in the year 2012 (refer note no 8 in the financial statements) for use of the premises situated at "Peninsula Centre" Dr. S.S.
